About California Proposition 65

www.P65Warnings.ca.gov

California's Proposition 65 entitles California consumers to special warnings for products that contain chemicals known to the state of California to cause cancer and birth defects or other reproductive harm if those products expose consumers to such chemicals above certain threshold levels. We care about our customers' safety and hope that the information below helps with your buying decisions.

NORCO Professional Lifting Equipment

California requires the following notice:

WARNING: Shop Equipment has paint which contains Titanium Dioxide, lead, and lead compounds and other chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Some of our shop equipment have fluids for hydraulic lifting purposes. When being serviced, this equipment generates used oils, waste fluids, grease, fumes and particulates, all known to the State of California to cause cancer, birth defects, and reproductive harm.
